2. Enter the person's phone number and select **OK**.
3. The meeting will then call out the person and add them to the meeting.

Dial into a Skype Meeting using a phone

1. From your mobile device, simply dial the phone number in the invitation.
2. When prompted, enter the Conference ID from the invitation.

Depending on how your organization has configured your service, you might need your Organizer dial-in conferencing PIN. This PIN was sent via email when you were enabled for the dial-in conferencing service.

If you are unable to remember your PIN, please contact your tenant admin.
