## Get oriented

## Scenic hike or interstate?

Get directions for wherever you want to go, no matter how you want to get there.

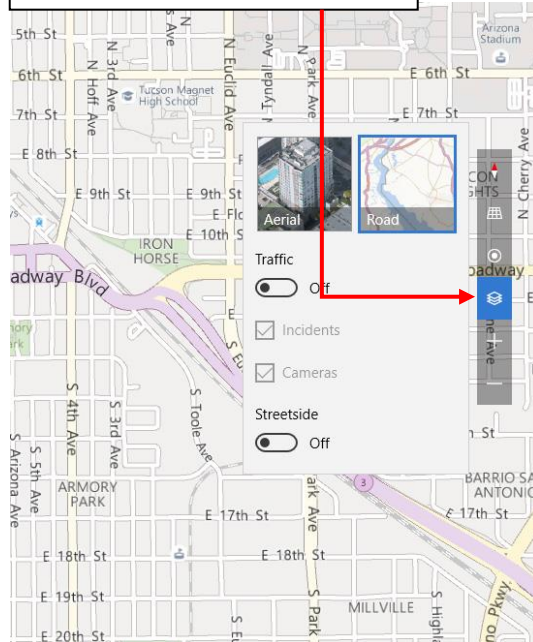

Let's drive to Moab!

1. Select Directions
2. Choose your mode  
Car, bus, walk?
3. Enter a destination
4. Explore different routes  
Select a route for details.
5. Make your choice  
Maps will guide you every step of the way.

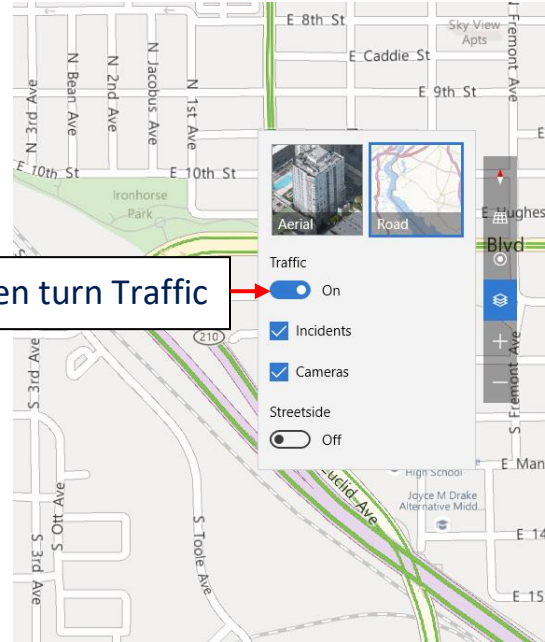

# The roads are clear

Real-time traffic info is a click away.

Select Maps view  ...

...and then turn Traffic

# See for yourself

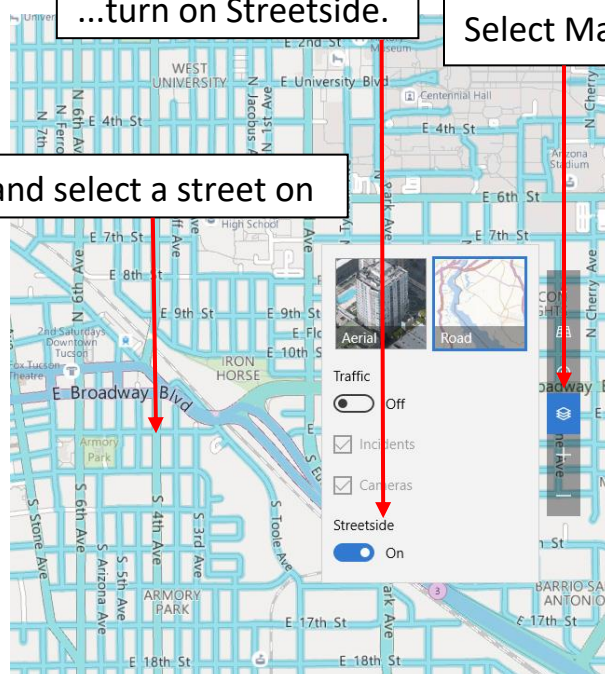

Know where you're going before you even get there.

...turn on Streetside.

What's it look like?

Select Maps view  ...

...and select a street on

No more guesswork

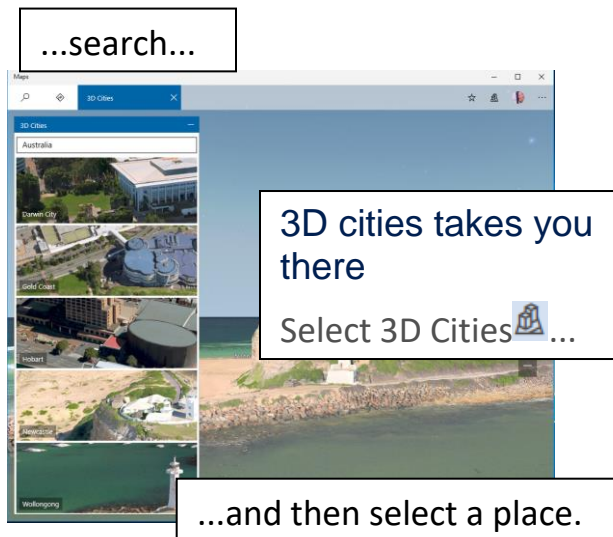

Streetside shows you a 360-degree view. Drag to pan, and see which direction you're looking with the map below.

# See the world from wherever you are

Explore different locations in three dimensions without having to get on a plane.

## Map controls make it interesting

Use controls, such as Tilt , to change your perspective.

# Follow your own path

Draw or take notes on your maps.

Mark where the treasure is buried  
Then share the map with your friends... or don't....

## Draw your own route

In a park with no mapped roads,  
draw your own and we'll show you  
the distance you'll travel.
