The screenshot shows a mobile browser interface. At the top, the status bar displays 'VIRGIN' with signal strength, '12:29 PM', and '97%' battery. The address bar shows 'guestnc.niagaracollege.ca'. The main content area has a background image of a building and trees. The title 'Niagara College Event Wi-Fi' is prominently displayed. Below the title, there is a paragraph of instructions: 'Please complete the form below for Internet access. Students and employees connect using AirNC-Secure.' The form consists of several sections: 1. 'Your Name:' followed by a text input field and the instruction 'Enter your first and last name.' 2. 'Email Address:' followed by a text input field and the instruction 'Enter your email address. This will become your username to log into the network.' 3. 'I am a guest attending:' followed by a dropdown menu currently showing 'Select the Event'. 4. 'Confirm:' followed by a checkbox and the text 'I accept the terms of use'. At the bottom, the mobile OS navigation bar is visible with icons for back, forward, home, and tabs.
